**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Mail Stop Issue Fee  
Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

The following are comments in response to the Statement of Reasons for Allowance mailed on April 10, 2006.

**REMARKS**

Applicants thank the Examiner for the Notice of Allowance of Claims 1 to 19 that was mailed on April 10, 2006.

Applicants wish to clarify, based on paragraph 1 of the Reasons for Allowance, that Claims 14 to 19 do not meet the provision of claim 1, where "when X is a carbonyl group, R<sub>2</sub> and R<sub>3</sub> are not both halogen." Claims 14 to 19 do however meet the provision of claim 1 that at least two of R<sub>1</sub>, R<sub>2</sub>, R<sub>3</sub>, and R<sub>4</sub> are not hydrogen. Therefore, for the reasons previously stated in Applicants response dated February 13, 2006, and the reasons provided by the Examiner, that Freed (US 4,032,639) "...which is only directed to monosubstituted tricyclic compounds, does not provide the skilled artisan with the necessary disclosure and motivation to arrive at the instantly disclosed compounds", Applicants respectfully submit that Claims 1 to 19 would not have been obvious in view of US 4,032,639 (Freed).

**CONCLUSION**

Applicants respectfully request issuance of Claims 1 to 19:

Respectfully Submitted,

Kimberly R. Hild
